MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with the Secretary of Defense,  
6 October 1978

NTAC 4414-78

6. I&W. Secretary Duncan surprised me by a statement that we had agreed to some committee in which DoD was represented that was going to look at the management structure, the procedures, and the rewriting of DCID 1/5. We fenced around with each other for a long time, with myself making it clear that I was not looking for any recommendations to redo the organizational decisions that I had already made. Neither Brown nor Duncan averred that they were thinking of that. Instead they said they were very happy with the arrangements as they were proceeding, particularly this committee. I don't know what this committee is; Dick Lehman better tell me, and I want to make it absolutely clear that no committee has any jurisdiction to revisit a decision that I have made.
